EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 22, line 1, "Once amended" has been deleted and --Currently Amended-- has been inserted. In line 8, "[thereby emptying the bladder]" has been deleted.

In claim 23, line 1, "Once amended" has been deleted and --Currently Amended-- has been inserted. In line 8, "[corresponding to said sacral ventral root]" has been deleted. In line 14, "[sufficient to cause the bladder of the patient to contract]" has been deleted. In line 15, "[whereby emptying the bladder]" has been deleted.

These changes are necessary since the Applicant's amendment filed on May 22, 2006 is non-compliant with 37 CFR 1.121 because strikethrough should be used for deleted subject matter and the status identifier for the claims should be "Currently Amended". In addition, the Notice of Allowability of 7/14/06 incorrectly stated that acknowledgement is made of a claim for foreign priority by the Applicant. No claim for foreign priority was made by the Applicant and the supplemental Notice of Allowability therefore reflects this status.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George R. Evanisko whose telephone number is 571 272 4945. The examiner can normally be reached on M-F 6:30-5:00.

Art Unit: 3762

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Angela Sykes can be reached on 571 272 4955. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
